

Welcome to the Latest Mid-Lin News Letter.

Hello everyone. Well I can't believe it is near the end of another year. The clocks have changed and it gets dark all too soon.

Members of the board have all been very busy over these last few months in negotiations with Dundee City Council regarding our Community Asset Transfer application. We have also been researching funding bids to attract new staff and start up the Community Cafe (Brunch Club)

I know our transport has not been the best and we are still having difficulties with some of the busses regarding repairs. However we do have our own permanent drivers and that makes a difference.

Next month December we are going to advertise for a new manager. We have to advertise as part of the Fair Selection process as set out by Dundee City Council, so we will keep you informed as to who is successful in getting the job.

On the whole I think it has been a reasonable year. Mid-lin has seen many staff changes but of late the team has settled well and new faces coming in have been very welcome.

I hope you keep well, look forward to Christmas coming and have a Happy New Year when it comes.

All the best from the Board of Trustees Mid-Lin Day Care Ltd
